Dear Mr. Secretary:

Our Subcommittee on Internal Security is interested in the history of the Economic Defense Advisory Committee and the Advisory Committee on Export Policy and all working subcommittees of both. We are particularly interested in the personnel of these committees, both in regard to the present and the past. Will you be good enough to provide us with the names of all persons who have served on all the committees and subcommittees described above, together with a description of the titles and functions of each individual and their years of service. We are interested in both regular and alternate members.

Your cooperation will be greatly appreciated.

With best wishes, I am

Sincerely yours,

William E. Jenner
